4. **Where should I park?** Parking is adjacent to all entrances to the church.
5. **Is there childcare for younger children?** At times we have a volunteer, at times not. Children of all ages are welcome in the sanctuary during our worship services. If you need a quiet space to sit with your child during the service, there is a nursery located just outside the sanctuary. The nursery area is well stocked with child-friendly toys and books, a bathroom with changing table. You are also able to hear the service through a speaker located in the nursery.
6. **Is there Church School?** Yes! We have a multiple grade learning opportunity from September to May for Kindergarten and older. June-August, we have a single group gathering. Children may start Church School at any time. Church School is held following a message for the children during the service.
7. **I have a physical disability and/or hearing problem. Is there any special assistance?** Our building is fully accessible. There are no stairs to enter on either level, and an elevator to access between levels. There are accessible bathrooms on each level. We have a sound system in the Sanctuary.
8. **When are worship services?** September-June, worship begins at 10AM; July-August at 9:30AM.
9. **What sort of music will I hear?** Often a mix of organ and piano, Adult Choir and contemporary offerings are included.
10. **What about communion?** Communion is celebrated on the first Sunday of each month. All are welcome to receive Communion; there are no pre-conditions or age requirements. We do an intentional learning component with children 3<sup>rd</sup> grade and older, we ask parents to guide younger children to participate with respect.
11. **What about after the service?** We invite you to stay for fellowship time immediately following the service. The Church Hall is downstairs [below the Sanctuary] and is easily accessed by the stairs near the front doors, or by the elevator off of the Narthex. There you can meet some of our members, and our pastor, Mark Rideout. We understand that you may not be able to stay or feel comfortable staying at first, so don't feel badly if you need to head out. We do ask that you sign the Visitor's Book in the Narthex [just outside the Sanctuary]. Adding your address helps the Deacons to send an added greeting following your visit.
